

BEREA BAND PATRON DRIVE

The Berea High School Band Boosters are conducting their annual Patron Drive and we hope you will consider contributing by becoming a patron of the band. The Berea Band program is effectively a “self funded” organization. Our members support the band to help provide instruments, uniforms, music and special arrangements. We also provide refreshments, guest conductors and fund transportation to special events. Without your support in the Patron Drive, it would not be possible to sustain the highest quality instrumental music program for which “The Pride of Berea” is known.

We thank you in advance for your support and look forward to seeing you at the band performances throughout the school year. For a complete list of all band information, please visit www.BereaBandBoosters.com
